

Ali Arc® Heavy Duty Bumpers

Ali Arc is the leading manufacturer of up front protection that has been the trucker's choice since 1979.

The Ali Arc bumper is the best animal collision protection available for your customer's vehicle. The design looks great without compromising strength and purpose.

The heavy duty bumpers have a patented steel mounting bracket and tilt system for under hood access, and a very strong single pin steel tow hitch.

KW071B

KW062H
