

CAB AIR FILTERS

IMPROVING THE AIR QUALITY IN THE CAB

TRP offers an all-makes line of exterior/interior cab air filters that help reduce odors, dust, pollen, dirt, and diesel soot from entering the cab. We recommend replacing filter medias twice annually.

Features & Benefits

- » Black-framed and chrome-framed options available
- » No-drill attachment with reusable push-pull fasteners and screws
- » Durable material for truck washing
- » Contains anti-microbial coating
