

NO REAM KING PIN KITS

NO REAM KING PIN KITS

The TRP No Ream King Pin Kits are designed for all popular axle applications. There is no need to ream the bushings, which will save in labor, time, and overall cost. This product covers multiple pin lengths and diameters. Additionally, our kits reduce fleet and owner-operator maintenance costs and installation time while increasing durability. Guaranteed to get you back on the road quickly.

FEATURES & BENEFITS

- » Spiral bushings for easy installation, no pressing or reaming
- » Metal-to-metal componentry for added strength
- » Installs in half the time

RELATED PARTS

- » TRP No Reams Caps (sold separately from kit)
- » Installation Tools
